

Wendy Harris

Wendy is running as part of a slate of strong progressive candidates that includes Glenn Glazer, Amanda Harris Altice, and Joe Thompson. Our slate is called the Redwood Progressives, and you can learn more about us by visiting [RedwoodProgressives.com](https://www.RedwoodProgressives.com)

Wendy was born and raised in Santa Cruz and has been living in the San Lorenzo Valley for 15 years. She served two years on the Head Start Parent Committee in Santa Cruz County, four years on the Cub Scout Pack 624 Leadership Committee including multiple years as a den leader, and three years on the board of the Valley Women's Club as the scholarship chair. She is currently serving as the president of her son's school's booster club and is secretary-elect for the Rotary Club of San Lorenzo Valley. She volunteers at Valley Churches United Missions and has a weekly food delivery route with Grey Bears.

Wendy serves as a Democratic Central Committee alternate in the 5th district, which has provided the opportunity to attend meetings and become familiar with the work the committee does and the procedures they follow. She looks forward to being a representative that listens to the concerns of our community and taking action to make sure those concerns are addressed. She is eager to ensure our community is informed about what is going on in the Democratic party and help them be more involved in the processes that govern us.

Wendy's top issues are affordable housing, Medicare For All and getting dark money out of politics.
